## MESSAGE FROM THE "CHIEF EXECUTIVE OFFICER"

The world is changing rapidly. People are more and more looking for better living places, bigger outdoor spaces, and greener environment. We as members of the community in UAE, we live these days and feel the need of having a greener environment. These are the fundamentals of who we are at Landscaping Group because our business is "Green"

Our Head Office in Abu Dhabi was established by a team of professionals focused on offering a fully integrated solution of Landscaping and Interior design.

CEO's today and I'm one of them, are looking after strategies, objectives and developing a sustainable business that add value to all stakeholders.

The most critical among all is achieving strategies and ensuring the business growth through the highest client satisfaction rates.

I proudly invite you to take a look at our profile, see our vision and mission statement, our team and take a quick look at our selection of major projects executed during the previous years.

LSG is moving towards its vision, we are a specialized contractor that deals with the beautification of your living places being your home, your work place , the public parks , the streets and any place that can made greener. We welcome your interest in us and will be more than happy to answer your inquires and do business with you.

## ABOUT US

**Landscaping Group LLC** was established in 2009 as a Landscaping and Fit out company. We deal with different trades, the softscape, irrigation, hardscape, Water features, shades, Indoor and Outdoor plants trading and Interior design and built.

Our aim is to turn our customers visions into reality, carrying out fantastic gardens design and execute it with the best quality and highest standards. We never stop from creating new ideas, initiating latest trends and varieties of plants, and building up new styles in the construction beautification industry.

Our vision was set to support the UAE vision about sustainability and better environment. That's why we are always looking for the latest innovative ideas that serve this purpose.

Customer satisfaction is key for us, our professional team supported by a set of policies, procedures and processes do their best to provide the highest quality and deliver on time all our projects.

## OUR VISION

“ To be a specialized landscaping company in the **UAE** providing landscaping design and built innovative solutions”

## OUR MISSION

To provide *personalized services* to our customers, promote the *self-gardening* by training our customers through *dedicated* and *professional staff* and *maintain sustainable business* to all stakeholders.

## OUR TEAM

One of our main values is our people development and encouragement. Our staff is our main asset which without there is no business.

We have a multicultural, experienced workforce. Our experienced management team is skilled and trained enough to offer the best ideas and services to our stakeholders.

With our current workforce of skilled and unskilled labors and the operation team, with the support of our management staff we have the capability of execution the most critical scopes in *Landscaping* and *Fit out*.
